APPENDIX E - CERTIFICATION

Certification of Self-Implementing On-Site Clean-Up and Disposal of PCB Remediation Waste American Bag and Metal Company, Inc. Off-Site, NYSDEC Site No. C734088A, Syracuse, New York

This Certification of Notice of Self-Implementing Cleanup & Disposal of PCB Remediation Waste describes response actions that will be conducted at the Site, 400 Spencer Street, Syracuse, New York.

As the party responsible for conducting the proposed cleanup described in the Notice of Self-Implementing On-Site Clean-Up and Disposal of PCB Remediation Waste, I hereby certify that all sampling plans, sample collection procedures, sample preparation procedures, extraction procedures, and instrumental/chemical analysis procedures used to assess or characterize the PCB contamination at the cleanup site, are on file at the following location(s) for USEPA inspection:

- Onondaga County Public Library, 447 South Salina Street, Syracuse, NY
- NYSDEC, 615 Erie Boulevard, West, Syracuse, NY 13204
- NYSDEC, 625 Broadway, Albany, NY 12233
- MACTEC Engineering and Consulting, P.C., 511 Congress Street, Suite 200, Portland, ME 04101

To access these files, please contact Jeffrey E. Trad, P.E. (NYSDEC), at (518) 402-9814, or Mark J. Stelmack, P.E. (MACTEC) at (207) 775-5401 to arrange an appointment and identify the specific records to be inspected. NYSDEC or MACTEC will compile the information requested and make the information available for review in their respective offices, or transmit electronic copies directly to the USEPA representative requesting the information.

Jeffrey E. Trad, P.E.

Project Manager
